Address	<input type="text" value="Briar Cottage,3 The Colony,Colony Road,Sibford Gower,Banbury,OX15 5RY"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I wish to object to this current application at the former Bishop Blaize Public House. The previous application was for 3 separate en-suite letting rooms, this applicaton is for a 3 bedroom cottage for holiday lets. The building of a cottage instead of 3 letting rooms is totally different. The height for instance, a 3 bedroom cottage would add another storey to the building. A cottage in place of outbuildings would change the appearance of the area. Also of concern is the number of available parking spaces will be reduced. It does appear that this recent application is in no way related to the Public House but is the means to build a separate dwelling. There have been numerous planning applications, since the current owners purchased the Public House in 2006, these have been refused for good reasons. The community wants the pub to re-open as a going concern, where everyone is welcome. The previous owner had a thriving business which benefited the villages, Sibford Ferris, Burdrop and Sibford Gower, the community enjoyed all the Public House had to offer, in a beautiful setting, this was a much valued place to meet up and an important part of village life. I wish to OBJECT to this planning application for a 3 bedroom cottage, at the former Bishop Blaize."/>
