Comments	<input type="text" value="I strongly object to this application which is yet another in a series of failed applications by the 'landlords' of this pub who are relentless in their pursuit of further destroying what was once a thriving local establishment and instead trying to monetise their property to the benefit of themselves and the detriment of the surrounding community. I urge you to say enough is enough: refuse this latest application and ban this couple from submitting further applications for 20 years - each futile application eats up valuable time and resources of the council and the community. Then please instruct the council's licensing department to enforce the law regarding this 'pub' and how it is currently being run - into the ground."/>
