<b>Comments</b>	<p>I wish to object to this development on the following grounds: The car park is essential for this licensed premises to function. Without it there would be no space for customers to park. A modern bungalow would be completely out of character with the old stone buildings around it including the pub itself. If the applicants want more letting rooms why not use existing rooms in the pub? [REDACTED] [REDACTED] [REDACTED] There is surely room to redevelop them as letting space.</p>
