

**Proposed Himley Village North West Bicester
Middleton Stoney Road Bicester**

24/01604/DISC

Case Officer: Suzanne Taylor

Recommendation: Approval

Applicant: Cala Homes (Cotswolds) Ltd

Proposal: Discharge of Condition 26 (Hedgerow Removal Details) of
14/02121/OUT

Expiry Date: 30 November 2024

Extension of Time: 30 November 2024

1. APPLICATION SITE AND DESCRIPTION OF APPROVED DEVELOPMENT

- 1.1. This 90.3ha application site is situated to the north west of Bicester, north of Middleton Stoney Road and west of Howes Lane and it forms part of the wider NW Bicester Eco Town area within the extent of the site allocated by Policy Bicester 1. The land sits detached from the Western extent of the town and is separated from it by Howes Lane and the Axis J9 employment site (which also forms part of the wider NW Bicester allocation). A private residence called Lovelynych House lies adjacent to the southern site boundary. Outline permission ref: 14/02121/OUT is for up to 1,700 residential dwellings with associated facilities including a retirement village, commercial floorspace, community facilities and primary school. The site is mainly comprised of agricultural land and native species field hedgerows.
- 1.2. Works have commenced on the Phase 1A and 1B reserved matters for the accesses and infrastructure to serve the site and the first 500 dwellings (including the 123 dwellings permitted by 23/01586/REM). The Design Code for the site has been approved and there are numerous other condition discharge applications and S106 clause discharges which have been agreed or are currently under consideration.

2. CONDITIONS PROPOSED TO BE DISCHARGED

- 2.1. The application seeks to discharge condition 26 of 14/02121/OUT which requires the submission and approval of the existing hedgerows to be removed and details of the new compensatory hedgerow to be provided prior to commencement. The applicants have submitted a plan to show the existing hedgerows to be removed, an Arboricultural Technical Note and details of the proposed compensatory hedge planting in support of the application.

3. RELEVANT PLANNING HISTORY

- 3.1. The following planning history is considered relevant to the current proposal:

Application: 14/02121/OUT Permitted 30 January 2020

OUTLINE - Development to provide up to 1,700 residential dwellings (Class C3), a retirement village (Class C2), flexible commercial floorspace (Classes A1, A2, A3, A4, A5, B1, C1 and D1), social and community facilities (Class D1), land to accommodate one energy centre and land to accommodate one new primary school (up to 2FE) (Class D1). Such development to include provision of strategic landscape, provision of new vehicular, cycle and pedestrian access routes,

infrastructure and other operations (including demolition of farm buildings on Middleton Stoney Road)

Also relevant are:

- 22/03492/NMA – Non-material amendment to conditions of permission 14/02121/OUT - Due to time constraints the applicants sought to meet the deadline for submitting a reserved matter application whilst not triggering the need to provide the masterplan and design code. It was agreed that the first reserved matter could be made for a discrete piece of infrastructure only (e.g. the site accesses) which would not necessitate wider site design details or prejudice the future layout/design. This NMA was granted to allow the rewording of conditions to provide this flexibility/distinction – APPROVED.
- 23/00170/REM and 23/00214/REM – Identical, dual planning applications for the primary and secondary accesses to the Middleton Stoney Road for the outline planning permission 14/02121/OUT - APPROVED.
- 23/01493/REM - Reserved Matters Application including access, layout, landscaping and scale pursuant to outline planning permission 14/02121/OUT for internal primary and secondary streets along with the partial discharge of conditions 12 (Building for Life 12), 16 (means of vehicular access), 17 (means of pedestrian/cycle links) and 19 (detailed surface water drainage scheme) for Phase 1B - APPROVED.
- 23/01586/REM - Reserved Matters Application pursuant to Outline planning permission 14/02121/OUT for the erection of 123 dwellings (including 37 affordable dwellings), parking, landscaping and other associated infrastructure including the part compliance of conditions 12 (Building for Life 12), 14 (noise assessment), 16 (means of vehicular access), 17 (means of pedestrian/cycle links) and 19 (detailed surface water drainage scheme) at Phase 2A – APPROVED.
- 24/01671/NMA - Non-material amendment to 14/02121/OUT - Alterations to the description of development to remove references to former use classes and replace these with the appropriate current use classes. Alterations to the approved Land Use Parameter Plan to remove references to former use classes and replace these with the appropriate current use classes. Alterations to Condition 5 to update the reference to the latest revision of the 'Land Use - Parameter Plan 4'. Alterations to Condition 8 to update the reference to the latest revision of the 'Land Use - Parameter Plan 4'. Alterations to Condition 9 to update the reference to the latest revision of the 'Land Use - Parameter Plan 4'. Alterations to Condition 44 to remove references to former use classes and replace these with the appropriate current use classes and to update the reference to the latest revision of the 'Land Use - Parameter Plan 4'. Alterations to Condition 45 to remove references to former use classes and replace these with the appropriate current use classes – Under consideration.
- 24/02249/NMA - Non-material amendment to 23/01493/REM - rewording of condition 3 (Great Crested Newt Licence) – APPROVED.
- 24/03016/REM - Reserved Matters Application including appearance, landscaping, layout and scale pursuant to Outline Planning Permission 14/02121/OUT for the installation of an electrical substation at Himley Village, Bicester – Under consideration.

- 24/03156/NMA - Non-material amendment to 23/01586/REM - Plot 1 – gate location moved to other side of house and a path has been added to the front garden for access to the rear gate. Plot 4 – gate location moved to other side of house and the path that was in the front garden has now been removed and put back to grass as the gate opens on to the driveway meaning there is now no need for this path. Plot 81 – gate location is now shown as was not shown on previous revisions. Plots 82 and 83 – parking space and twin garage label has been swapped. – APPROVED
- 24/03328/SCOP - EIA Scoping Request to support a Section 73 application to vary conditions attached to the extant planning permission for the Himley Development (ref 14/02121/OUT) – OPINION ISSUED

4. RESPONSE TO PUBLICITY

- 4.1 This application has been publicised by way of a site notice displayed near the site and by advertisement in the local newspaper. The final date for comments was **27 July 2024**, although comments received after this date and before finalising this report have also been taken into account.
- 4.2 No comments have been raised by third parties.

5. RESPONSE TO CONSULTATION

- 5.1. WARD MEMBERS: No comments received to date.

5.2. ARBORICULTURAL OFFICER: No comments received to date.

6. APPRAISAL

- 6.1. The submitted Hedgerow Loss Plan identifies the sections of existing hedge that will be removed to allow the development to be implemented. This is consistent with the parameter plans for the outline permission and only comparatively small sections are proposed to be removed where needed to allow for road/foot/cycle connections. The Arboricultural Tech Note clarifies the species and quality of the existing trees and hedges to be removed from the site.
- 6.2. The proposed compensatory hedgerow planting plan (Hedgerow Mitigation Plan) indicates where replacement hedge planting will be provided within the site and the species to be utilised. It is noted that the length of the proposed compensatory/replacement hedge planting exceeds that to be removed (i.e. 450m will be replaced by 567m) and this is in addition to other proposed/new hedge planting of circa 1,500m. The proposed planting would be comprised of native species in double staggered rows.
- 6.3. It is considered that the proposed hedge planting details are acceptable and that condition 26 can be discharged.
- 6.4. The original application was EIA development. The outline permission was granted in 2020 and is therefore considered to be recent enough and adequate to consider this DISC concerning Hedgerow Planting. Therefore, the EIA is considered sufficient for the purpose of considering the information provided for this condition and it has been taken into account in considering this subsequent application.

7. RECOMMENDATION

That Planning Condition 26 of 14/02121/OUT be discharged based upon the following:
