Applicant's Name: Cala Homes (Cotswolds) Ltd
Proposal: Discharge of Condition 29 (Landscape and Habitat Management Plan) of 14/02121/OUT
Location: Proposed Himley Village North West Bicester, Middleton Stoney Road, Bicester
Parish(es): Bucknell

With regard to discharge of condition 29 for phase 1a and 1b – I am generally happy with the Landscape and Habitat management Plan however I think it needs to be clearer how this document fits in with the wider Biodiversity strategy, whether there will be any monitoring of the management within this plan (or whether this is detailed elsewhere) and how monitoring of this plan will fit in with overall BNG assessments?

Kind regards
Charlotte
