Is democracy dead? I have spent days / weeks / months supporting our local communities trying to uphold democracy in what I thought was the correct way to no avail.

I objected. Just like hundreds of people from our communities did.

I objected. Just like all of the residents in Hanwell did.

I objected. Just like my fellow parish councillors did.

I objected. Just like our district, ward, planning committees and other councillors did.

I objected. Just like our current MP when he was councillor and his predecessor when she was in office did.

I objected. Just like many CDC and OCC department members did.

We objected. Only to over ruled by Inspector Dominic Young.

Is democracy dead? If we all object again will we be over ruled by inspector Dominic Young again? I hope not.

I object; but I won't hold my breath."/>
