Comments	<input type="text" value="This new development will put further pressure on an already strained public service throughout Banbury. The health of Banbury's residents is already suffering, being in the top most deprived places in Oxfordshire. More houses will destroy the green space, further burden the health services and create more traffic. There are already four new developments up that way, we do not have the infrastructure to support this. The roads are already over crowded, this is only going to make things worse. The area is a harbour for wildlife and destroying this has no positive gains, only negative."/>
