| <b>Comments</b>           | <input type="text" value="This application was rightly refused earlier this year by Cherwell District Council. I understand that Manor Oak Homes have resubmitted an amended application that relies mostly on the argument that Cherwell has not met its 5-year housing supply. I understand that this not so and that the council has indeed reached the target. The land on which it is proposed is attractive countryside and yet more and more housing will wipe out this lovely asset. The usual lack of infrastructure provided by smaller developers will be an ever-increasing problem. I object strongly to this application."/> |
