<b>Comments</b>	<p>I object to this amended application because it makes no difference - it will still be another pile of ugly horror homes on a piece of beautiful rising land that looks lovely as it is.</p> <p>We already have enough new builds in the Banbury area and we DO NO NEED ANY MORE!</p> <p>What about the infrastructure?</p> <p>What about the countryside?</p> <p>What about the wildlife?</p> <p>What about the high quality farmland?</p> <p>What about the drainage?</p> <p>What about the spoiled views for those living opposite Duke's Meadow Drive?</p> <p>What about the transport system?</p> <p>What about not building here at all?</p> <p>This application has already rightly been refused by Cherwell District Council so Manor Homes should do the right thing and take their interests elsewhere. Like the middle of the North Sea.</p> <p>Hanwell has already been shafted by a single Government fascist who allowed big-money greed to go ahead and raze a Grade 2 farm field just so it can build another 170 butt-ugly houses when there are hundreds of houses - some that have stood for hundreds of years - already on Rightmove. Homes that will continue to last way beyond these modern snag-infested monstrosities that appear to have been designed by a 5-year-old.</p> <p>Of course, the Council will do the right thing and stop this in its tracks. And then Manor Homes will appeal and the government will likely send the same inspector - Dominic Young - who will almost certainly allow the appeal.</p> <p>Fast forward 10 years or so, and all the land between this plot and the Vistry plot at Warwick Road will all be joined up. Fast forward 40 years and Banbury will extend to the borders of Warwickshire.</p> <p>We are fighting MONEY here and money always wins!</p> <p>So please do the right thing and REFUSE THIS APPLICATION</p> <p>We love our countryside, we need our countryside, wildlife needs our countryside and we need our wildlife.</p> <p>JUST STOP IT!</p>
