Comments	<input type="text" value="I object to this application for the following reasons:
This land is not the current Local Plan or the draft Local Plan.
This application has been turned down by the Planning Committee already.
The developer appears to be making piecemeal applications to extend their development.
This shows a flagrant disregard of the planning laws and makes a mockery of them.
The land opposite is a playing field, presumably agreed in order to minimise the impact on the horizon/skyline. This development would be obvious from any direction.
People living here would be reliant on cars and not public transport.
Our local infrastructure is on its knees. We cannot keep building without reference to the chronic state of our health and education systems locally.
I object in the strongest terms."/>
