Comments	<input type="text" value="No! This is no an appropriate site for development. Access is on a dangerous bend in the road, it will radically alter the character of Burdrop, outweighing disproportionately to the existing number of residents, will increase traffic locally, (supposing each new proposed dwelling has 2 cars), increase pollution, noise, light etc. Sibford Ferris, neighbouring Burdrop, already has ongoing construction of 25 houses plus another 5 granted planning permission, and Sibford Gower adjoining Burdrop also is waiting for an appeal for housing. Collectively the villages cannot sustain more development with the added burden on utilities, the doctors surgery, the roads etc. Enough! The site in question is supposed to be a village pub anyway."/>
