Comments	<p>Variation of Condition 4 (plans) of 18/01894/OUT (Appeal Ref: APP/C3105/W/19/3229631) - Amendment to approved drawings, removing allotments</p> <p>I want to object strongly to this alteration of an existing and agreed plan to provide village community allotments. The idea of enabling enjoyment of the site alongside a building development, which was abhorrent to most of the village, was the one feature that the village could see as a benefit. There is no facility or area in Sibford that can be used as a community garden and Deanfield Homes must not back down on their promise to provide this. And not only provide allotments but also to provide tool storage and to encourage people to use them and ensure the land is properly cared for.</p> <p>Failing this, I would be so bold to suggest that if the requirement to provide a space for allotments is waived then that same space would lend itself to yet another building plot. More money for builders - less care of the community.</p>
