Dear Sirs

I'm afraid I cannot get on to the website to post my comments to the above application to remove the allotment area from the site on the Hook Norton Road in Sibford Ferris.

I oppose the proposed change from the original plan. Too much of our precious and limited green space has already been taken up by building development which does little to improve the visual aspect of our village. It is on the edge of designated "area of beauty" and I feel those of us who live here should have a voice in this. Further, if the area is not to be used for allotments, what might be planned?

Yours faithfully,

Jean Scouse
