The area is an area of high natural beauty, a haven for wildlife, used by so many for leisure and wellbeing, and in green belt which must only be developed in "/> It borders the old part of Kidlington village and the the historic St Marys Church. Any development, required access roads, parking, noise etc would significantly harm the area, destroy its beauty, tranquility and wildlife. For ever! The land is a beauty enjoyed by so many - residents of Kidlington and more who travel from surrounding areas to enjoy too It would be absolute madness to allow this planning application from a greedy developer who has no interest in our local community, and for some reason has not been discouraged by the rejection of the recent planning application further along The Moors."/>
