Hello

My name is Tina Merry and I reside at 51 Benmead Road, Kidlington, OX5 2DB

I wish to go on record that I am strongly opposed to the above planning application for many reasons:

It is Greenbelt land that myself and my family have used our entire lives to walk the dogs, take family strolls and have picnics

It was not included for development in the local plan 2042

4,400 new houses are already coming to the Kidlington area where we already have an infrastructure that can not cope with the current level of residents

It floods all the time

It is near a nature reserve

It would cause even more traffic chaos in an already for too busy village.

I hope you take my points on board and hopefully this matter will be sidelined sooner rather than later as we have just overcome the last major development proposal for this exact same area.

Kind regards

Tina
