Comments	<input type="text" value="1. The land where the development is proposed is liable to flooding - last winter it was not possible to walk from St Mary's to Hampton Poyle on several occasions.
2. It is also an important 'green space' in the Kidlington environment.
3. Benmead Road (where we live) will bear the brunt of the extra traffic: it is already very busy and sometimes blocked as cars coming in opposite directions try to negotiate parked vehicles. This is particularly true at school times. Additional traffic to/from N. Kidlington School will increase the problem and the danger to children - and to old people like us, of whom there are many.
4. The doctors' surgeries are already overwhelmed - I have been trying most of the day to get a phone consultation. Are there any plans to enlarge them?
5. Are there any plans to increase the capacity of the local schools?"/>
