Dear Sir/Madam

I would like to object to the above planning application in the most strongest terms.

The proposed development is :-

on greenbelt land

On an area liable to flood

Will cause even more traffic congestion, the existing road cannot cope.

It was not included for development in the Local Plan 2042

There are already 4400 new Houses planned for Kidlington

It will have an impact on the wildlife that use the fields

It is an open space which is heavily used to improve people's mental health and wellbeing.

Yours faithfully

Georgina Pollard
