Comments	<input type="text" value="We do need houses but is it necessary to build on green belt land that floods. Benmead Road is a busy road especially with North Kidlington school. Parents dropping off and collection their children. We have enough cricket and football pitches in Kidlington catering for youths and adults. A large round-about on small roads catering especially for the new houses. What about people living in The Moors and Benmead Road who will suffer if this decision goes through. Kidlington is becoming an apartment village. Bungalows knocked down and 4 to 6 apartments built in place. I disagree with with this planning application but who takes note of one voice."/>
