25/01346/Out, Joyce Morris 57 The Moors OX5 2AQ

I am very concerned about the plan to build 304 new houses on the land behind The Moors.

With 340 houses this area will have at least a thousand people and probably more. This will

mean more places required in the local school.

How will the Medical Centre cope when it is already difficult to get to see a doctor.

The Moors is already a busy road and will become a main road. The planned roundabout will be very dangerous as it is just where the children cross the road to go to school.

The main entry to the estate is just by a sheltered set of flats for elderly people and further along the boundary will be by a care home.

I trust that Cherwell Council will think again and leave the the land behind The Moors so that the many many people

who come from all areas of Kidlington may continue to enjoy this beautiful green belt .
