Leonardo Cleveland
33 The Moors
Kidlington OX5 2AH

Dear Sir,

I object to the proposed building of the 340 homes behind The Moors. I'm a kid. I cycle. I visit my elderly grandparent on the weekend. This will add so many cars to my road. Actually, it's amazing my cat, Sebastian, has lasted this long. If you have ever driven down The Moors, he a pretty fat, black and white cat with a blue collar and bell. Somehow or another he has managed to walk back and forth between out house and across the road to Mark's for years.

Now, he's as good as dead. Thanks Bloombridge LTD for killing my cat.
In the future.
If my objection fails.

I love those fields. I have grown up playing in them. Watching deer. Splashing around when it floods. I hope the new homeowners like water.

I object and hope you will consider my objection. And save my cat in doing so.

Yours,

Leo
