Good evening.

Application number: 25/01346/OUT

I have been using this land and my children, for well over 30 years. The walks and fresh air have been invaluable to us all, for our well being and sanity.

The deers are so lovely, and such a delight to see.

Unfortunately, the flooding is not so good. It has stopped us from continuing our walks at times, which makes me wonder how you can build houses on land which floods so often!

Please please don't build all this concrete on this beautiful open space. 🙏🙏

My kindest regards to you all,
