Comments	<input type="text" value="Having thoroughly read through this application. It seems opportunist, not a genuine positive, needed addition to Kidlington. Having lived in Kidlington since 1990, I value the green land around our village it is essential to future generations to maintain a positive way of life and interacting and supporting nature. It is valuable and shouldn't be destroyed. I hereby oppose and put forward my opposition for my family and neighbours. Most importantly the nature that should thrive."/>
