| Application Number | <input type="text" value="25/01510/OUT"/> |
| Location | <input type="text" value="Land South Of Perdiswell Farm Shipton Road Shipton On Cherwell"/> |
| Proposal | <input type="text" value="Outline planning application for the erection of up to 500 dwellings and commercial floorspace (Use Class E) with associated access, open space and infrastructure - All Matters Reserved except for Access"/> |
| Case Officer | <input type="text" value="Jason Traves"/> |
| Organisation Name | <input type="text" value="Maggy Beeton"/> |
| Address | <input type="text" value="8 Rose Drive, Woodstock, OX20 1GN"/> |
| Type of Comment | <input type="text" value="Objection"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="Regarding the proposed development east of Parkview, Woodstock. Due to the isolation of this proposed development, an access/ link road will need to be built. I understand that this is proposed to run along Henrietta Way and join Cowells Road. As a resident whose property is directly on Cowells Road, I object most strongly to the potential for the increased traffic, noise and pollution that this will inevitably cause affecting the quality of life of the many residents that live along this proposed route. A better option would surely be via Park View link road where there is an access point to Upper Campsfield Road. A link road could be built either north onto Shipton Road, or preferably to the south on to the Oxford Road. Park View properties are quite densely built and the roads are not particularly wide. There is a rumour that this link if made, it may include a bus route. This would affect many properties negatively - loss of privacy, more difficult access and egress to parking areas currently just off Cowells Road and again increased noise and pollution due to increased traffic. I sincerely hope that this option is refused planning."/> |
