OFFICIAL

Dear Development Management Team,

The Planning Casework Unit have received an email from a campaign group asking the Secretary of State to call in the planning application by Blenheim Estate Homes for outline planning application for up to 500 dwellings and commercial floorspace with associated access, open space and infrastructure – all matters reserved except for access at Land south of Perdiswell Farm, Shipton Road, Shipton on Cherwell (application no: **25/01510/OUT**).

Can the council please provide the latest situation of the application and please do not issue a decision before the Secretary of State has make her decision in whether to call in the application.

Thanks,  
Declan
