Comments	I object to the planning of 500 houses due to the loss of green space, increased traffic, lack of schools (pupils will have to travel to Kidlington as Woodstock primary is full) and to the lack of a GP practice nearby. Woodstock surgery is also full. Green spaces are important for welfare of everyone - exercise and mental health. They are also important for nature. I do not think that these houses will provide good quality of life for people and they will be detrimental to the environment.
