

Cherwell
DISTRICT COUNCIL
NORTH OXFORDSHIRE

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

Name and Address of Agent/Applicant:

Mr Samuel Finlay
LNT Construction
1 Isabella Road
Garforth
Leeds
LS25 2DY

Full Planning Determination

Date Registered: 29th July 2024

Proposal: Full application for the proposed erection of a two storey building to form a 66 no. bedroom care home for older people with parking, access, landscaping and associated ground works.

Location: Land to the North of Anniversary Avenue, Graven Hill , Bicester, OX25 2BF

Parish(es): Bicester

PERMISSION FOR DEVELOPMENT SUBJECT TO CONDITIONS

Cherwell District Council, as Local Planning Authority, hereby **GRANTS** planning permission for the development described in the above-mentioned application, the accompanying plans and drawings and any clarifying or amending information, **SUBJECT TO THE CONDITIONS SET OUT IN THE ATTACHED SCHEDULE.**

The reason for the imposition of each of the conditions is also set out in the schedule.

Cherwell District Council
39 Castle Quay
BANBURY
Oxfordshire
OX16 5FD

David Peckford

Assistant Director – Planning and Development

Date of Decision: 17th June 2025

Checked by: Caroline Ford

SCHEDULE OF CONDITIONS

IMPORTANT – THIS DECISION MAY BE SUBJECT TO MANDATORY BIODIVERSITY NET GAIN AND THE STATUTORY PRE-COMMENCEMENT BIODIVERSITY GAIN PLAN CONDITION. PLEASE SEE BELOW FOR FURTHER GUIDANCE.

1. The development to which this permission relates shall be begun not later than the expiration of three years beginning with the date of this permission.

Reason - To comply with the provisions of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. Except where otherwise stipulated by conditions attached to this permission, the development shall be carried out strictly in accordance with the form and following approved plans.

Site Location Plan (Ref: OX25 2BF A-01)
Topographical Survey (Ref: OX25 2BF A-02 Rev A)
Proposed Site Plan (Ref: OX25 2BF A-03 Rev B)
Proposed Floor Plans (Ref: OX25 2BF A-04)
Proposed Elevations (Ref: OX25 2BF A-05 Rev A)
Proposed Internal Elevations (Ref: OX25 2BF A-05.1 Rev A)
Proposed Bin Store (Ref: SDL-033 Rev A)
Proposed Cycle Store (Ref: CYSH-PREM-2250 X 3000 X 2100 Rev A)
Proposed PV Meter Housing (Ref: SDL-090.4 Rev A)
Proposed PV Battery Housing (Ref: PV-01)
Tree Protection and Removal Plan (Ref: WIE AA 72 002 Rev P02)
Arboricultural Constraints Plan (Ref: WIE AA 72 001 Rev P02)
Soft Landscaping Detail (Ref: 24_330_101 Sheet 1 and Sheet 2)
Proposed Block Plan (Ref: A-03)
Vehicle Tracking (Ref: A-07 Rev A)
GCN Impact area (Ref: A-01.1)
Drainage Strategy (Ref: GHBO-BSP-ZZ-XX-DR-C-SK240 Rev P05)
EV Charger Details (Ref: EVQRTMD-04)
Details Of Solar PV Ref: JAM60S21-355-375)

Reason – For the avoidance of doubt, to ensure that the development is carried out only as approved by the Local Planning Authority and comply with Government guidance contained within the National Planning Policy Framework

3. A schedule and detail of external materials to be used in the construction of the building shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of those works. The development shall be carried out in accordance with the samples so approved.

Reason: To ensure that the materials are appropriate to the appearance of the locality and to ensure the satisfactory appearance of the completed development in accordance with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

4. Prior to above ground works commencing section details of window reveals, gable projections and material and façade treatment (including those detailed at Paragraph 5.37 of the submitted Design and Access Statement) shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the details so approved.

Reason: The proposals use a contemporary design solution with architectural treatment to ensure design interest and ensure that the proposals create interest and achieve a high quality design. These further details are required to ensure the satisfactory appearance of the completed development in accordance with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the

National Planning Policy Framework.

5. All planting, seeding or turfing shown on Soft Landscaping Detail (Ref: 24_330_101 Sheet 1 and Sheet 2) comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the building(s) or in accordance with any other program of landscaping works previously approved in writing by the Local Planning Authority and shall be maintained for a period of 5 years from the completion of the development. Any trees and/or shrubs which within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent for any variation.

Reason: To ensure that the agreed landscaping scheme is maintained over a reasonable period that will permit its establishment in the interests of visual amenity and to accord with Policy ESD15 of the Cherwell Local Plan 2011 –2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework

6. The existing hedge(s) shown as G2 in the approved Arboricultural Impact Assessment (Ref: WIE11386-182-R-4-4-1-AIA Issue 3) along the north west boundary of the site shall be retained at a minimum height of not less than two metres and any trees or plants which die, are removed or become seriously damaged or diseased within 5 years from the completion of the development shall be replaced in the next planting season with others of similar size and the same species, unless the Local Planning Authority gives written consent to any variation.

Reason: To provide an effective and attractive screen for the development in the interests of visual amenity and to accord with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996

7. No development shall take place until the existing tree T1 to be retained on the south east boundary (shown on approved plan Ref: WIE AA 72 002 Rev P02) has been protected in accordance with the approved Arboricultural Impact Assessment (Ref: WIE11386-182-R-4-4-1-AIA Issue 3) unless otherwise agreed in writing by the Local Planning Authority. The barriers shall be erected before any equipment, machinery or materials are brought onto the site for the purposes of development and shall be maintained until all equipment machinery and surplus material has been removed from the site. Nothing shall be stored or placed within the areas protected by the barriers erected in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavations be made, without the written consent of the Local Planning Authority.

Reason: To ensure the continued health of retained trees/hedges and to ensure that they are not adversely affected by the construction works, in the interests of the visual amenity of the area, to ensure the integration of the development into the existing landscape and to comply with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

8. The approved parking and turning/loading/unloading facilities (shown on Proposed Site Plan (Ref: OX25 2BF A-03 Rev B) shall be laid out and completed in accordance with the approved details before the first occupation of the building. The car parking and turning/loading/unloading spaces shall be retained for the parking and turning/loading/unloading of vehicles at all times thereafter.

Reason: In the interests of highway safety, to ensure the provision of adequate off-street car parking and turning/loading/unloading and to comply with Government guidance in Section 12 of the National Planning Policy Framework.

9. Construction shall not begin until a detailed surface water drainage scheme for the site, has been submitted to and approved in writing by the Local Planning Authority. The scheme shall subsequently be implemented in accordance with the approved details before the development is

completed. The scheme shall include:

- A compliance report to demonstrate how the scheme complies with the "Local Standards and Guidance for Surface Water Drainage on Major Development in Oxfordshire";
- Full drainage calculations for all events up to and including the 1 in 100 year plus 40% climate change;
- A Flood Exceedance Conveyance Plan;
- Detailed design drainage layout drawings of the SuDS proposals including crosssection details;
- Detailed maintenance management plan in accordance with Section 32 of CIRIAC753 including maintenance schedules for each drainage element, and;
- Details of how water quality will be managed during construction and post development in perpetuity;
- Confirmation of any outfall details.
- Consent for any connections into third party drainage systems

Reason: To ensure satisfactory drainage of the site in the interests of achieving sustainable development, public health, to avoid flooding of adjacent land and property to comply with Policy ESD6 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy ENV1 of the Cherwell Local Plan 1996 and Government advice in the National Planning Policy Framework

10. Prior to first occupation, a record of the installed SuDS and site wide drainage scheme shall be submitted to and approved in writing by the Local Planning Authority for deposit with the Lead Local Flood Authority Asset Register. The details shall include:

- (a) As built plans in pdf file format;
- (b) Photographs to document each key stage of the drainage system when installed on site;
- (c) Photographs to document the completed installation of the drainage structures on site;
- (d) The name and contact details of any appointed management company information

Reason: To ensure satisfactory drainage of the site in the interests of achieving sustainable development, public health, to avoid flooding of adjacent land and property to comply with Policy ESD6 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy ENV1 of the Cherwell Local Plan 1996 and Government advice in the National Planning Policy Framework

11. If, during development, contamination not previously identified is found to be present at the site, no further development shall be carried out until full details of a remediation strategy detailing how the unsuspected contamination shall be dealt with has been submitted to and approved in writing by the Local Planning Authority. Thereafter the remediation strategy shall be carried out in accordance with the approved details.

Reason: To ensure that any ground and water contamination is identified and adequately addressed to ensure the safety of the development, the environment and to ensure the site is suitable for the proposed use, to comply with Saved Policy ENV12 of the Cherwell Local Plan 1996 and Section 15 of the National Planning Policy Framework

12. No construction work including site clearance and delivery of materials shall be carried out except between the hours of 07.30 to 18.00 Monday to Friday and 08.00 to 13.00 on Saturdays and at no times on Sundays, Bank and Public Holidays.

Reason: In order to protect the amenities of occupiers of nearby properties from noise outside normal working hours and to comply with Saved Policy ENV1 of the Cherwell Local Plan 1996.

13. No development shall take place, including any works of demolition until a Construction Method Statement has been submitted to, and approved in writing by the Local Planning Authority. The statement shall provide for at a minimum:

- a) The parking of vehicles of site operatives and visitors.
- b) The routing of HGVs to and from the site.
- c) Loading and unloading of plant and materials.

- d) Storage of plant and materials used in constructing the development.
- e) The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate.
- f) Wheel washing facilities including type of operation (automated, water recycling etc) and road sweeping.
- g) Measures to control the emission of dust and dirt during construction.
- h) A scheme for recycling/ disposing of waste resulting from demolition and construction works.
- i) A Construction Traffic Management Plan (CTMP) including delivery hours.

The approved Construction Method Statement shall be adhered to throughout the construction period for the development.

Reason: To ensure the environment is protected during construction in accordance with Saved Policy ENV1 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

14. The development hereby permitted shall be carried out in accordance with the recommendations set out in the Biodiversity Enhancement and Management Plan (Issue 1.0) unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect habitats and/or species of importance to nature conservation from significant harm in accordance with the Government's aim to achieve sustainable development as set out in Section 15 of the National Planning Policy Framework

15. No development hereby permitted shall take place except in accordance with the terms and conditions of the Council's Organisational Licence (WML-OR150, or a 'Further Licence') and with the proposals detailed on plan "Land to the North of Anniversary Avenue: Impact plan for great crested newt District Licensing (Version 1)", dated 8th January 2025.

Reason: In order to ensure that adverse impacts on great crested newts are adequately mitigated and to ensure that site works are delivered in full compliance with the Organisational Licence (WMLOR150, or a 'Further Licence'), section 15 of the National Planning Policy Framework, Circular 06/2005 and the Natural Environment and Rural Communities Act 2006.

16. No development hereby permitted shall take place unless and until a certificate from the Delivery Partner (as set out in the District Licence WML-OR150, or a Further Licence'), confirming that all necessary measures regarding great crested newt compensation have been appropriately dealt with, has been submitted to and approved by the planning authority and the authority has provided authorisation for the development to proceed under the district newt licence. The delivery partner certificate must be submitted to this planning authority for approval prior to the commencement of the development hereby approved.

Reason: In order to adequately compensate for negative impacts to great crested newts, and in line with section 15 of the National Planning Policy Framework, Circular 06/2005 and the Natural Environment and Rural Communities Act 2006.

17. Prior to above ground works details of the location and height (being at least 4.5m above ground level) of at least 12 swift boxes shall be submitted to and agreed in writing by the Local Planning Authority. The development shall be implemented in accordance with the approved details.

Reason: To support nature conservation aims to support the enhancement of swift population in accordance with the aims to support Biodiversity Enhancement of the development

18. The development hereby permitted shall be constructed in accordance with the recommendations of the approved Sustainability & Renewable Energy Statement (Dated November 2024)

Reason: To ensure energy and resource efficiency practices are incorporated into the

development in accordance with the Government's aim to achieve sustainable development as set out in the National Planning Policy Framework.

19. Prior to the first occupation of the development the approved six electric vehicle charging points (shown on Proposed Site Plan (Ref: OX25 2BF A-03 Rev B and EV Charger Details (Ref: EVQRTMD-04) shall be installed and made available for use.

Reason: To ensure approved electric vehicle charging points are implemented into the development in accordance with the Government's aim to achieve sustainable development as set out in the National Planning Policy Framework.

20. Notwithstanding the submitted details prior to commencement of the development hereby approved, covered cycle parking facilities (with a minimum capacity of 16 bicycles) shall be provided on the site in accordance with details which shall be firstly submitted to and approved in writing by the Local Planning Authority. Thereafter, the covered cycle parking facilities shall be permanently retained and maintained for the parking of cycles in connection with the development.

Reason: In the interests of sustainability, to ensure a satisfactory form of development and to comply with Government guidance contained within the National Planning Policy Framework.

21. Prior to construction of the development hereby approved, a Landscape and Ecology Management Plan (LEMP) shall be submitted to and approved in writing by the Local Planning Authority. Thereafter, the LEMP shall be carried out in accordance with the approved details.

Reason: To protect habitats of importance to biodiversity conservation from any loss or damage in accordance with Policy ESD10 of the Cherwell Local Plan 2011 – 2031 Part 1 and Government guidance contained within Section 15 of the National Planning Policy Framework.

22. Prior to any occupation of the building the solar PV panels shown on plan number Proposed Floor Plans (Ref: OX25 2BF A-04 – Roof Plan and Details Of Solar PV Ref: JAM60S21-355-375) shall be implemented and made available for use.

Reason: To support the delivery of renewable and low carbon energy in accordance with Government guidance contained within the National Planning Policy Framework and Policy ESD5 of the Cherwell Local Plan 2011-2031 Part 1.

23. Prior to first occupation a Full Travel Plan based on the approved Draft Travel Plan should be submitted to and agreed in writing by the Local Planning Authority.

Reason: To ensure that the development promotes sustainable transport and active travel in accordance with the Policies Bicester 2 and SLE4 of the Cherwell Local Plan 2011-2031 Part 1 and in accordance with Government guidance contained within the National Planning Policy Framework.

24. No development shall commence (including demolition, ground works, vegetation clearance) unless and until a Construction Environmental Management Plan (CEMP: Biodiversity) has been submitted to and approved in writing by the local planning authority. The CEMP: Biodiversity shall include as a minimum:

- Risk assessment and mitigation of potentially damaging construction activities
- Identification of 'Biodiversity Protection Zones'
- Practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during construction (may be provided as a set of method statements)
- The location and timing of sensitive works to avoid harm to biodiversity features
- The times during construction when specialist ecologists need to be present on site to oversee works
- Responsible persons and lines of communication
- The role and responsibilities on site of an ecological clerk of works (ECoW) or similarly competent person
- Use of protective fences, exclusion barriers and warning signs

The approved CEMP: Biodiversity shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details.

Reason: To protect habitats of importance to biodiversity conservation from any loss or damage in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and government guidance contained within the National Planning Policy Framework.

25. Prior to the first use of the development hereby approved a lighting strategy shall be submitted in line with guidance note 08/23 by the Bat Conservation Trust including details of the external lighting, including the design, position, orientation and any screening of the lighting shall be submitted to and approved in writing by the local planning authority. The lighting shall be installed in accordance with the approved scheme prior to the first use of the development hereby approved and shall be operated and maintained as such at all times thereafter.

Reason: In the interests of bat populations in the vicinity and Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1, and government guidance contained within the National Planning Policy Framework.

26. No development shall commence until a Habitat Management and Monitoring Plan (HMMP), prepared in accordance with an approved Biodiversity Gain Plan, has been submitted to and approved in writing by the local planning authority. The HMMP shall include:

- a non-technical summary
- the roles and responsibilities of the people or organisation(s) delivering the HMMP
- the planned habitat creation and enhancement works to create or improve habitat to achieve the biodiversity net gain in accordance with the approved Biodiversity Gain Plan
- the management measures to maintain habitat in accordance with the approved Biodiversity Gain Plan for a period of 30 years from the approved completion date of the development
- the monitoring methodology and frequency in respect of the created or enhanced habitat

Notice in writing shall be given to the local planning authority when the:

- HMMP has been implemented
- habitat creation and enhancement work as set out in the HMMP have been completed.

The created and/or enhanced habitat specified in the approved HMMP shall be managed and maintained in accordance with the approved HMMP or such amendments as agreed in writing by the local planning authority.

Monitoring reports shall be submitted to the local planning authority in writing for approval in accordance with the methodology and frequency specified in the approved HMMP.

Reason: To ensure the development delivers a biodiversity net gain on site in accordance with Schedule 7A of the Town and Country Planning Act 1990.

IMPORTANT - BIODIVERSITY NET GAIN CONDITION

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition “(the biodiversity gain condition)” that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Cherwell District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These are listed below.

Based on the information available this permission is considered to be one which **will require** the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements listed below are considered to apply.

Advice about how to prepare a Biodiversity Gain Plan and a template can be found at [Submit a biodiversity gain plan - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/submit-a-biodiversity-gain-plan).

The Biodiversity Gain Plan should be submitted as an 'application for approval of details reserved by condition following grant of planning permission'. Relevant fees will apply. Further guidance on how to submit an application can be found via our website www.cherwell.gov.uk

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition.

1. The application for planning permission was made before 12 February 2024.
2. The planning permission relates to development to which section 73A of the Town and Country Planning Act 1990 (planning permission for development already carried out) applies.
3. The planning permission was granted on an application made under section 73 of the Town and Country Planning Act 1990 and
 - (i) the original planning permission to which the section 73 planning permission relates* was granted before 12 February 2024; or
 - (ii) the application for the original planning permission* to which the section 73 planning permission relates was made before 12 February 2024.
4. The permission which has been granted is for development which is exempt being:
 - 4.1 Development which is not 'major development' (within the meaning of [article 2\(1\) of the Town and Country Planning \(Development Management Procedure\) \(England\) Order 2015](#)) where:
 - i) the application for planning permission was made before 2 April 2024;
 - ii) planning permission is granted which has effect before 2 April 2024; or
 - iii) planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 where the original permission to which the section 73 permission relates* was exempt by virtue of (i) or (ii).
 - 4.2 Development below the de minimis threshold, meaning development which:
 - i) does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and
 - ii) impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (as defined in the statutory metric).
 - 4.3 Development which is subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015. A "householder application" means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

4.4 Development of a biodiversity gain site, meaning development which is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the Biodiversity Gain Planning condition which applies in relation to another development, (no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee).

4.5 Self and Custom Build Development, meaning development which:

- i) consists of no more than 9 dwellings;
- ii) is carried out on a site which has an area no larger than 0.5 hectares; and
- iii) consists exclusively of dwellings which are self-build or custom housebuilding (as defined in section 1(A1) of the Self-build and Custom Housebuilding Act 2015).

4.6 Development forming part of, or ancillary to, the high speed railway transport network (High Speed 2) comprising connections between all or any of the places or parts of the transport network specified in section 1(2) of the High Speed Rail (Preparation) Act 2013.

** “original planning permission means the permission to which the section 73 planning permission relates” means a planning permission which is the first in a sequence of two or more planning permissions, where the second and any subsequent planning permissions are section 73 planning permissions.*

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat. The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission (“the earlier Biodiversity Gain Plan”) there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

DEVELOPMENT MONITORING

The Council has identified the development hereby approved as one that it considers appropriate to monitor during construction. We would therefore be grateful if you could let us know of your intention to start the development at least 14 days prior to the commencement of work on site. You can do this by

emailing the Council on: monitoring@cherwell-dc.gov.uk and providing us with the following information: application number; application address; and the date you intend to start the development. During the monitoring period, we will be assessing the development against the approved plans, and compliance with any conditions imposed on the permission. It is in your interest to comply with this request as it will help to avoid any unnecessary, and possibly expensive, corrective works.

PLANNING NOTES

1. **Conditions** – the applicant’s attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 (as amended) there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £86 per request for householder development and £298 per request in all other cases. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has ‘1app’ forms for such applications, but their use is not mandatory.

There is no fee for the discharge of conditions on listed building consents.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

2. **Material Samples** – please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

3. Attention is drawn to a Legal Agreement related to this development or land which has been made pursuant to Section 106 of the Town and Country Planning Act 1990, Sections 111 and 139 of the Local Government Act 1972 and/or other enabling powers.

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 39 of the National Planning Policy Framework, the Council has worked positively, creatively and proactively to determine this application within the agreed timescales, having worked with the applicant/agent where necessary and possible within the scope of the application (as set on in the case officer’s report) to resolve any concerns that have arisen, in the interests of achieving more appropriate and sustainable development proposals. Consent has been granted accordingly.

The case officer’s report and recommendation in respect of this application is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>. The agenda, minutes and webcast recording of the Planning Committee meeting at which this application was determined are also available to view online at: <http://modgov.cherwell.gov.uk/ieListMeetings.aspx?CId=117&Year=0>

Cherwell
DISTRICT COUNCIL
NORTH OXFORDSHIRE

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

TIME LIMITS FOR APPLICATIONS

By virtue of Sections 91-96 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004, planning permissions are subject to time limits. If a condition imposing a time limit has been expressly included as part of the permission, then that condition must be observed. Otherwise, one or other of the following time limits will apply:

Where planning permission is given in outline subject to a condition reserving certain matters for subsequent approval, application for approval of such matters reserved must be made not later than the expiration of 3 years beginning with the date of the outline planning permission and further the development to which the permission relates must be begun not later than the expiration of 2 years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last reserved matters to be approved.

Where the planning permission is complete and is not in outline, the development must be begun not later than the expiration of 3 years from the date on which permission was granted.

OTHER NECESSARY CONSENTS

This document only conveys permission or approval for the proposed development under Part III of the Town and Country Planning Act 1990 and you must also comply with all the bye-laws, regulations and statutory provisions in force in the District and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 (as amended), or other legislation.

In particular you are reminded of the following matters:

- The need in appropriate cases to obtain approval under the Building Regulations. **The Building Regulations may be applicable to this proposal. The Building Regulations may be applicable to this proposal. You are therefore advised to contact the District Council's Building Control Manager before starting work on site - Telephone: 01295 227006. Email: Building.Control@Cherwell-dc.gov.uk**
- The need to obtain an appropriate Order if the proposal involves the stopping up or diversion of a public footpath.
- Data supplied by the National Radiological Protection Board (NRPB) and the British Geological Survey (BGS) suggests that the site of this application falls within an area which is potentially at risk from radon. This may require protective measures in order to comply with the Building Regulations if your consent relates to a new dwelling or house extension. Further advice on whether protective measures are required under the Building Regulations can be obtained by contacting the Building Control Manager on 01295 227006 or E-mail at building.control@cherwell-dc.gov.uk
- The need to obtain a separate "Listed Building Consent" for the demolition, alteration or extension of any listed building of architectural or historic interest from the Local Planning Authority.
- The need to make any appropriate arrangements under the Highways Act in respect of any works within the limits of a public highway. The address of the Highway Authority is Oxfordshire County Council, Speedwell House, Speedwell Street, Oxford, OX1 1NE.

- It is the responsibility of the applicant to ascertain whether their development affects any public right of way, highway or listed building.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then;

- For **Householder** applications you must do so within **12 weeks** of the date of the decision
- For **Minor Commercial** applications you must do so within **12 weeks** of the date of the decision
- For **all other types** of planning applications, you must do so within **6 Months** of the date of the decision

Unless;

- The decision on the application relates to the same or substantially the same land and the development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.
- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel (0303 444 5000) Or online at www.planningportal.gov.uk/pcs**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to them that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by them.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State grants permission or approval for the development of land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the District Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Secretary of State on appeal or on reference of the application to them.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
