<b>Comments</b>	<input type="text" value="We are fully supportive of the application submitted in respect of The Small House. As previous owners and occupiers of the property and indeed now its immediate neighbours we believe the proposed extension will be pleasing and appropriately sized, bearing in mind in particular, the size of the plot The Small House occupies. We are also very familiar with the design capabilities of the Architect and are confident that their design will be both an attractive addition to The Small House and indeed its immediate environment."/>
