Dear Mr Coles

Cherwell Local Plan Review 2011 - Land at Bankside Environmental Impact Assessment Scoping Opinion

Further to our telephone conversation, I write to request an extension of one week (to 28 February) to the time period allowed for the completion of the above scoping opinion. This will enable the Council to secure a response from all of the statutory bodies consulted as part of this process. I would be grateful if you could provide written confirmation of your acceptance of this matter.

In accordance with our discussion, I have asked the bodies concerned to reply to you direct and provide a copy of their response to the Council, if their response is likely to be submitted after the revised date.

Yours sincerely

Tony Wilson
