OXFORDSHIRE COUNTY COUNCIL

STANDARD CONDITIONS FOR THE CONTROL OF HIGHWAY WORKS IN CONJUNCTION WITH DEVELOPMENT

GENERAL

1. INTERPRETATION

In these Conditions:-

- a) "the Council" means the Oxfordshire County Council of County Hall New Road Oxford OX1 1ND and, so far as the context admits, includes any servant or agent duly appointed by them for purposes including the matters touched upon in these Conditions
- b) "the Agreement" means any agreement or other instrument by which these Conditions are applied
- c) "the Works" means the works which the Agreement requires to be executed in accordance with these Conditions
- d) "the Developer" means the person or persons by whom the Agreement requires the Works to be executed
- e) "the Scheme of Works" means the scheme referred to in Condition 9 as may for the time being have been varied and/or augmented under Condition 22
- f) "the Bond" means the bond referred to in Condition 12
- g) "the Certificate of Completion" means the certificate issued under Condition 28
- h) "Contractor" includes an agent and any sub-contractor or agent of a main contractor
- i) the marginal headings are for ease of reference and shall not affect the construction or interpretation of these Conditions

2. RELATIONSHIP WITH AGREEMENT

These Conditions shall be construed together with and subject to the Agreement and in the event of any inconsistency between the Conditions and the Agreement the latter shall prevail.

3. COMMUNICATIONS WITH THE COUNCIL

Any notice or other communication required by these Conditions to be given by the Developer to the Council shall be given in writing to the Council's Director for Environment & Economy at his main office at Speedwell House Speedwell Street Oxford OX1 1NE or to such other person and/or at such other place as he may identify in writing to the Developer.

4. APPROVALS ETC NOT TO CONSTITUTE CONTRACTS

None of the following, namely:-

- a) any approval or consent given by the Council in respect of the discharge by the Developer of his obligations under these Conditions; or
- b) any authorisation given or implied by or under these Conditions in respect of any thing done or to be done by the Developer on or in relation to any public highway; or
- c) any payment made by the Developer to the Council under these Conditions

shall create any contractual relationship between the Developer and the Council beyond that contained in the Agreement; and the Council will not be liable for any loss, damage or injury which the Developer may sustain arising from action taken in consequence of such approval, consent, authorisation or payment.

5. COUNCIL TO ACT IN DEFAULT OR EMERGENCY

In either of the following circumstances, namely:-

- a) if the Developer shall be materially in default in respect of any of these Conditions or any notice served thereunder (being a Condition or notice requiring work to be done or not done, or to be done in a particular manner or by a particular time) and if such default continues after the Council have given to the Developer not less than 21 days' written notice of the steps they require to be taken to remedy such default; or
- b) if it shall appear to the Council at any time during the course of execution of the Works that danger to persons or prejudice to the structure or stability of the public highway or of adjoining land exists or is imminent, and that it is not reasonably practicable to cause the Developer to take the necessary remedial steps forthwith; the Council may to the exclusion of the Developer take such steps themselves and charge the expenses thereof (including their reasonable administrative costs incurred in connection therewith) against the Developer, such expenses

being a debt due to the Council and recoverable by them by action or otherwise.

6. **INDEMNITY**

The Developer shall indemnify the Council and keep them indemnified against all actions, liabilities, claims, costs and proceedings which may arise from the execution and completion of the Works (except insofar as may arise from the neglect or default of the Council) and from anything done or not done by the Developer or by his servants or contractors in connection therewith, including (for the avoidance of doubt) any liabilities, claims, and costs arising under Sections 1 or 9 of the Land Compensation Act 1973 (compensation for depreciation caused by use of public works) or under regulations made pursuant to Section 20 of that Act (insulation against noise) and any grants made by the Council under the said regulations in accordance with its established policy. The Council will by advertisement invite claims under Sections 1 or 9 of the Land Compensation Act 1973 and under regulations made pursuant to Section 20 of that Act.

7. **HEALTH AND SAFETY**

The Developer shall act as the only client in respect of the Works for the purposes of The Construction (Design and Management) Regulations 2007 ("the Regulations") and shall make a declaration in accordance with the Regulations

PRELIMINARIES

8. **SUBMISSIONS TO THE COUNCIL**

The Developer shall submit to the Council:-

- a) no later than 3 months before any tender is invited for the execution of the Works (or, if the Developer proposes not to appoint any contractor for that purpose, no later than 3 months before the Works are expected to commence), those parts of the Scheme of Works mentioned in sub-paragraphs (a) and (b) of Condition 9
- b) no later than 1 month before any tender is invited for the execution of the Works, details in accordance with Condition 15 of the persons proposed to be invited to tender
- c) no later than 2 weeks after the acceptance of any tender for the execution of the Works
 - i) (without prejudice to sub-paragraph (d) (i) below) those parts of the Scheme of Works mentioned in sub-paragraphs (c) - (e) of Condition 9; and

- ii) notification of the identity of the contractor who has submitted the successful tender
- d) no later than 1 month before the Works are expected to commence:-
 - i) the matters referred to in sub-paragraph (c) (i) above (if not previously submitted)
 - ii) details of the guarantor proposed to be given pursuant to Condition 12, together with any bills of quantities or tenders which the Developer wishes the Council to take into account under that Condition; and
 - iii) details of the insurance's required by Condition 14; or in any particular case at such later time as the Council may consider expedient and in writing so agree

9. SCHEME OF WORKS

The Developer shall submit to the Council a detailed scheme for the execution and completion of the Works, incorporating (among any other relevant matters):-

- a) detailed plans (which shall include a layout plan to a scale of 1:1250 or 1:2500 according to whichever is the Ordnance Survey base scale for the area), drawings and specifications of the Works and the materials to be used therein, complying with the relevant standards and specifications of the Council for the time being in force, together with such structural calculations as the Council may consider necessary having regard to the nature of the Works;
- b) where the Council so require having regard to the scale of the Works, measures for the control of vehicles and plant to be used in the course of execution of the Works (including vehicles engaged on the transport of materials to and from the Works) in order to minimise the risk of damage to any highway and disturbance to occupiers of residential property;
- c) a detailed programme designed to ensure the orderly and timely execution and completion of the Works with the minimum of disturbance to users of the public highway and to facilitate the implementation of any such measures in respect of undertakers' apparatus as may be identified pursuant to Condition 10;
- d) such measures, including means of traffic control and protection of pedestrians, as the Council may require in order to alleviate the interruption of the use by the public of any part of the existing highway in the course of execution of the Works;

- e) details of all lights, guards, fencing, warning signs, watching and other things necessary for the protection of the Works or for the safety and convenience of the public or others.

10. UNDERTAKERS' APPARATUS

The Developer shall in preparing the Scheme of Works consult every undertaker within the meaning of the New Roads and Street Works Act 1991 whose apparatus or services lie in, on, under or over the site of the Works or may otherwise be affected by the Works (whether or not it is intended to connect into such services any services to be contained within the Works), with a view to the identification and implementation of any measures considered necessary by the undertakers for the protection of, or otherwise in relation to, their apparatus or services, and shall be responsible for all dealings with such undertakers in respect of their implementation of the said measures and for all costs payable to the undertakers in that behalf.

11. OTHER CONSENTS ETC

The Developer shall be solely responsible for the timely obtaining, at his own cost, of all rights, approvals and consents (so far as not contained in or given under the Agreement or these Conditions) and any other requisite action by any third party to enable the Works and every part thereof to be properly and lawfully executed and completed in accordance with the Agreement and these Conditions and with any relevant general and local statutory provisions, including (but not so as to provide an exclusive list of examples):-

- a) planning permission for the Works;
- b) authority for the stopping up, diversion or other alteration of any existing highway so far as necessary to enable the Works to proceed; and
- c) any rights and easements which are in the Council's opinion necessary to ensure the permanent and satisfactory drainage of the Works.

12. BOND

The Developer shall provide a guarantor satisfactory to the Council which guarantor will with the Developer enter into a Bond in such form as shall have been approved by the Council guaranteeing the execution and completion of the Works in accordance with the Agreement and these Conditions. The

amount of the Bond shall be the gross cost of the Works (including any costs payable to undertakers pursuant to Condition 10) as then estimated by the Council (such estimate to take into account any bills of quantities prepared or tenders received by the Developer in respect

of the Works and submitted by him to the Council for inspection).

13. SUPERVISION COSTS

The Developer shall pay to the Council in respect of the costs to be incurred by the Council in supervising the execution and completion of the Works a sum equal to 9% of the Bond subject to a minimum payment of [£750].

14. INSURANCE

The Developer shall take out and maintain, until whichever is the later of the dates mentioned in sub-paragraphs (a) and (b) of Condition 33, such insurances satisfactory to the Council as may be necessary to cover the liability of the Developer and of his servants and contractors in respect of any injury or damage to persons or property which may arise from or in connection with the execution and completion of the Works.

15. APPROVAL OF CONTRACTORS

The Developer shall not employ any contractor or agent for the purpose of the execution of the Works or part thereof except such contractor or agent as shall be recognised by the Council as being of proven competence and good standing in the field of civil and electrical engineering and experienced in the type and scale of the work which is to be the subject of the contract, and for that purpose the Developer shall not invite tenders for the execution of the Works or any part thereof except from persons proposed to and approved in writing by the Council before any such tender is invited; Provided always that the employment of a contractor as aforesaid shall not remove or abate any obligation on the part of the Developer arising from the Agreement or these Conditions.

IMPLEMENTATION OF THE WORKS

16. COMMENCEMENT OF WORKS

The Developer, immediately on agreeing a commencement date with the contractor appointed to execute the Works, shall notify the Council in writing of the date agreed or, if the Developer proposes not to appoint a contractor for that purpose, give the Council not less than one month's notice in writing of the intended commencement.

17. NO WORK PENDING APPROVALS ETC

Save for such minor preliminary works as the Council may in writing agree, the Works shall not be commenced before:-

- a) the Council's approval of the Scheme of Works pursuant to Condition 9;

- b) the entering into by the Developer and the guarantor of the Bond pursuant to Condition 12;
- c) the payment to the Council of the costs referred to in Condition 13; and
- d) the approval by the Council of the insurances mentioned in Condition 14.

18. GENERAL CONDUCT

The Developer shall execute and complete the Works in compliance with the approved Scheme of Works, in a sound and workmanlike manner, with proper materials and in accordance with good engineering practice.

19. INSPECTION OF SITE AND MATERIALS

The Developer shall at all reasonable times give to the Council free access to every part of the Works and shall permit them to inspect the same and all materials used or intended for use therein, and where the Council require any such materials to be tested the Developer shall reimburse the Council the reasonable cost of such testing.

20. ERRORS AND DEFECTS

If in the course of execution of the Works it shall appear to the Council:-

- a) that any error has arisen in the position, levels, dimensions or alignment of any part of the Works; or
- b) that any work carried out or materials used for the purpose of the Works are defective to such extent as to prejudice in any respect the structure, stability, durability or subsequent functioning of the Works or part thereof; or
- c) that any damage has occurred in respect of any part of the Works; or
- d) that in any other respect the Works are not in accordance with the Scheme of Works;

and the Council notify the Developer in writing thereof, the Developer shall, at his own expense and to the satisfaction of the Council, forthwith take such remedial steps as the Council shall specify in the notice.

21. SUSPENSION OF WORK

If in the opinion of the Council some part of the Works ought not properly to be commenced or continued by reason either of:-

- a) the dependence of that part on the completion of remedial steps specified in a notice given under Condition 20; or
- b) adverse weather conditions such as to prejudice the structure or stability of that part if executed under those conditions;

the Developer shall on the written order of the Council suspend the progress of the said part of the Works for such time or times and in such manner as the Council may consider necessary, and shall during such suspension properly protect and secure the work so far as is necessary in the opinion of the Council.

22. VARIATIONS AND ADDITIONS

In any of the following circumstances arising in the course of execution of the Works, namely:-

- a) if discovery is made of adverse ground conditions or artificial obstruction or other unforeseen factor of a like nature which in the opinion of the Council necessitate a modification of the Works to avoid or compensate for such conditions, obstruction or other factor in the interests of the satisfactory completion and subsequent functioning of the Works; or
- b) if it shall appear to the Council requisite, in accordance with good engineering practice and to ensure satisfactory completion and subsequent functioning of the Works that any work or materials (not being work or materials covered by the specification in the approved Scheme of Works) should be added, or that any such work or materials proposed by the Developer to be done or used should be omitted or changed; or
- c) if it shall appear to the Council expedient that any obligation arising from the approved Scheme of Works should be deferred by reason of delay incurred by the Developer arising from some cause not within the Developer's control; or
- d) otherwise if in a particular case the Developer and the Council so agree;

the Scheme of Works shall be varied and/or augmented in manner notified in writing by the Council to the Developer, and thereafter in the application of these Conditions any reference to the Scheme of Works shall be construed as a reference to the Scheme of Works as so varied and/or augmented.

23. PREVENTION OF NOISE, DISTURBANCE ETC

All work shall be carried out without unreasonable noise and disturbance, and in such manner as not to interfere unnecessarily or unreasonably with the use and enjoyment of property adjoining or near the Works by their owners and occupiers. Without prejudice to the generality of the

foregoing, except insofar as:-

- a) any operations are necessary to avoid disruption to or for the control of traffic on any highway; or
- b) any work is unavoidable or absolutely necessary for the safety of life or property or the safety of the Works; or
- c) the Council have in writing otherwise agreed;

no work shall be carried on between the hours of 8.00 p.m. and 7.00 a.m. or on any Sunday or public holiday.

24. **PROTECTION OF HIGHWAY**

Insofar as any part of the Works affect in any respect the existing highway such part shall be executed with the minimum of disturbance to that highway and users thereof consistent with the work in hand. In the event of it appearing to the Council at any time that such disturbance has occurred or is likely to occur to such extent as to prejudice the structure of the highway or the safety of users thereof the Developer shall forthwith take such remedial steps as the Council may require.

25. **SAFEGUARDING OF COMPLETED WORK**

The Developer shall until the Council have issued the Certificate of Completion take all steps necessary to protect and maintain those parts of the Works which shall for the time being have been executed, so that upon substantial completion of the whole of the Works every part thereof is in a sound and workmanlike condition and free from any damage and any material wear and tear.

COMPLETION AND CONSEQUENTIAL MATTERS

26. **COMPLETION OF WORKS**

The Works shall be executed and completed within such period as the Agreement may define (whether by duration or by reference to the happening of a specified event or both), provided that in the event of delay to the work arising from some cause not within the Developer's control the Developer shall be entitled to a reasonable extension of such period.

27. **CLEARANCE OF SITE**

On substantial completion of the Works the Developer shall clear away and remove from the site of the Works all plant, surplus material, rubbish and temporary works of every kind, and shall leave the whole

of the site of the Works clean and in a workmanlike condition to the satisfaction of the Council.

28. COMPLETION CERTIFICATE

On substantial completion of the Works and clearance of the site thereof in accordance with Condition 27 the Developer shall request from the Council a Certificate of Completion, which the Council shall issue forthwith if satisfied that the Works (save for such minor outstanding works as the Council shall agree) have been completed in accordance with these Conditions.

29. DEDICATION AS HIGHWAY

Upon the issue of the Certificate of Completion unless the Agreement provides otherwise the whole of the land comprised in the Works (so far as not already forming part of the public highway and excluding such part as the Developer and the Council may in writing agree) shall be deemed to have been dedicated as public highway and shall thereafter subject to Condition 32 be a highway maintainable at public expense.

30. RIGHTS OF DRAINAGE

The Developer shall as soon as practicable following the issue of the Certificate of Completion transfer to the Council all those rights and easements (so far as the same do not at that time already subsist in favour of the Council) referred to in Condition 11(c), and the Council shall not be liable for the payment of compensation or legal or any other costs or fees arising from any such transfer.

31. HEALTH AND SAFETY FILE

The Developer shall within two months following the issue of the Certificate of Completion (or such longer period as the Council may in writing agree) furnish to the Council the Health and Safety File prepared in accordance with the Regulations. The Health and Safety File shall include detailed plans and drawings showing the Works as the same have actually been executed and completed. The plans and drawings furnished under this Condition shall be no less detailed than the plans and drawings submitted under Condition 9(a), unless the Council shall in writing otherwise agree.

32. REMEDYING OF DEFECTS

If by the expiration of two years from the date on which the Council issue the Certificate of Completion:-

- a) any defect in the Works becomes manifest (not being a defect arising solely from normal use thereof by the public as a highway or from accidental or wilful damage by any third party);

or

- b) the Developer shall fail to complete any of the outstanding works mentioned in Condition 28

and the Council notify the Developer in writing thereof, the Developer shall at his own expense and within one month of his receipt of such notification (subject as mentioned in the Proviso to Condition 26) cause such defect to be made good or outstanding works to be completed (as the case may be) to the satisfaction of the Council.

33. RELEASE OF BOND

Without prejudice to the Council's discretion from time to time upon the application of the Developer to release the Bond to an extent commensurate with the proportion of the Works at such time executed and completed, the Bond shall upon the issue of the Certificate of Completion be deemed to be released to the extent of eighty per cent (80%) of its original value; and at whichever is the latest of the following dates, namely:-

- a) the date two years after the date on which the Council issue the Certificate of Completion; and
- b) the date on which all defects and outstanding works have been made good and completed as mentioned in Condition 32; and
- c) the date on which the Council have recovered their full expenses in all cases where Condition 5 applies;
- d) the date on which the Developer shall have furnished to the Council the detailed plans and drawings mentioned in Condition 31

the Bond shall be deemed to be discharged to its whole extent.
