Dear Alex,

**Revised Heritage Centre Management Plan-Appendix 1-S106 Undertaking dated 23rd January 2009 in respect of Outline Planning Permission 08/00716/OUT
HEYFORD PARK, CAMP ROAD, UPPER HEYFORD, OXFORDSHIRE, OX25 5HD**

Thank you for your original letter dated 9th August 2019, and the subsequent additional information including letter dated 27th August 2019, the revised Heritage Centre Management Plan (dated 27th August 2019) and revised drawings: D.0342_61-Heritage Management Plan and D.0342_64 Heritage Centre Area Plan.

I confirm the details submitted are acceptable regarding the proposals to 'swap' Building 3008 for Building 2010 as part of the heritage provision at Heyford Park and to amend the Heritage Centre Management Plan in respect of the QRA area, so as to exclude Building 3008 but include Building 2010 instead.

I have noted in particular the revised Action HC2 which states that "One of the HAS structures (Building 3009) within the QRA area will be left unoccupied and will have nil use at all times, unless the Heritage Centre closes in which case Building 3009 may revert to a Class B8 use. Building 2010 will also be left unoccupied and will have nil use at all times, unless the Heritage Centre closes in which case a new use may be found for the building. Building 2010 will be made safe for tour access prior to Building 3008 being brought in to B8 use"

I am therefore prepared to agree the above documents to supersede and as a variation to Appendix 1 of the Undertaking dated 23rd January 2009 in respect of Outline Planning Permission 08/00716/OUT
