

District : Cherwell
Application no : 16/00387/DISC
Proposal : Discharge of conditions 51 and 52 of 10/01642/OUT
Location : Phase 4a and 4b, Camp Road, Heyford Park

Transport Development Control

Recommendation

No objection

The Construction Compound & Access Statement and drawing No.UH/TMP/4 are both acceptable. The County therefore has no objection to the discharge of conditions 51 and 52.

Informative

Section 2 of the Construction Compound & Access Statement states “...to have the site access and adjoining roads swept and cleaned every week...” It is considered that this is rather a long interval and that more regular sweeping and cleaning would probably be appropriate. The precise cleaning regime would depend on the number of vehicle movements and the adequacy of the wheel cleaning. Most of the roads that will be worst affected are not adopted highway, and this would therefore seem to be an issue for the District rather than the County.
