Summary of amendments/additions (Note: this is the exact text that will go out on the consult letters)*
 As part of the original submission, a full Remediation Earthworks Report prepared by Smith Grant (Report Ref: R1742-R10-V2 – February 2016) was submitted, which due to its file size was broken down into eight separate Parts on the portal so that it could be uploaded. Unfortunately for whatever reason only Part 7 has been uploaded on to the CDC website, hence the confusion.
