Subject: 11/00280/DISC - Discharge of condition 25 (i) of 08/00716/OUT - Parking strategy

Sam

Thank you for consulting the Conservation and Design Team on the above application.

There are no particular objections to the discharge of the condition. It is assumed that working practice has followed these guidelines even if conditions haven't been discharged. If there are any outstanding issues relating to parking these should be dealt with prior to the discharge of condition.

Best wishes
