Dear Laura Bailey,

**CHERWELL DISTRICT COUNCIL: REDEVELOPMENT OF MOD BICESTER  
YOUR REF: 11/01494/OUT**

Thank you for consulting us on this scheme. Unfortunately, due to limited resources, we are unable to review this proposal. However, as you may know, there are a number of affiliated design review panels around the country with a remit to focus on significant schemes in their region. We have been in contact with the South East design review panel to suggest that they consider putting this scheme before their panel. Please contact them care of Sarah Brown (Sarah.Brown@architecturecentre.org, 01634 401166). This referral does not guarantee that the affiliated panel can review your scheme.

We would be grateful if you could keep us informed of the progress of the scheme.

Yours sincerely
