

Scheme for Surfacing of Former Tanker Area

Introduction

Condition 4 of Planning Permission 12/00040/F for the 'change of use to allow the continued use of land, buildings and other structures and continued retention of security trench, concrete rings and temporary lamp posts until 1st April 2014' at Heyford Park, states that

'within three months of the date of this permission, a scheme for the construction of a hard surfaced parking area on the former tanker area shall be provided. The parking area shall be constructed and available for use as approved within 18 months of the date of this permission and the development shall be undertaken in accordance with the details as approved.'

Surfacing Scheme

- Remove topsoil to a dept of 200mm
- Infill with clean MOT Type 1 Aggregate to a minimum depth of 200mm
- Compact to create level surface

Timing

In accordance with Condition 4 of Planning Permission 12/00040/FUL, and Phase 3 of the agreed Transitional Arrangements, the parking area on the former Tanker Area shall be constructed and made available for use in accordance with the details approved by 26th September 2013
