

Come and meet us to find out more about our proposal for Longford Park

Hello,

We always try to keep local communities informed as we prepare and then make our planning applications – and really welcome any comments that you may have at this stage.

You may recall that in September 2009, planning permission was granted for residential development with associated facilities including a primary school, playing fields, local shops and community facilities with provisions for employment.

We would like to invite you to join us so that we can provide an update of the latest developments and our proposals for Phase 1 (the area adjacent to the Oxford Road) as well as a conceptual design for the community park.

Come and meet us

**Church House,
High Street, Bodicote
1.30pm – 7pm on 17th April 2013**
