Dear Ms Griffiths

**Partial discharge of condition 13 - surface water drainage assessments for Tubbs Lane footbridge and Bicester Town Station of TWA/10/APP/01 Oxford to Bicester rail link**

Further to my letter dated 11 March 2014, we have reviewed additional details from Wallingford Hydrosolutions.

Given the tiny amount of runoff from the proposed Tubbs Lane bridge, we have no objection to this being mitigated through the upgraded drainage at Bicester Town Station.

We therefore have no objection to the discharge of Condition 13 in relation to Tubbs Lane footbridge.

Yours sincerely

**Mrs Cathy Harrison**
