### 4. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?  Yes  No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:  First name:  Surname:

Reference:

Date (DD/MM/YYYY):  (Must be pre-application submission)

Details of the pre-application advice received:

All aspects of the overall application programme were discussed at this meeting. Further meetings and discussions have taken place with Richard Oram (Planning Archaeologist for Cherwell District Council at Oxfordshire County Council) since this initial meeting specifically in relation to archaeology along the route.

### 5. Description of Proposal

Please provide a description of the approved development as shown on the decision letter:

Chiltern Railways is proposing to construct a new railway (including the reconstruction of an existing railway) between Bicester and Oxford, together with the construction or reconstruction of stations at Bicester Town, Islip and Water Eaton. These improvements will facilitate the operation of direct railway services between London Marylebone, High Wycombe, Bicester Town and Oxford.

Application reference number:  Date of decision:

Please state the condition number(s) to which this application relates:

Condition number(s):

Has the development already started?  Yes  No If Yes, please state when the development was started:

Has the development been completed?  Yes  No

### 6. Discharge of Condition(s)

Please provide a full description and/or list of the materials/details that are being submitted for approval:

This application is accompanied by a cover letter and an updated WSI prepared by Oxford Archaeology.

### 7. Part Discharge of Condition(s)

Are you seeking to discharge only part of a condition?  Yes  No

If Yes, please indicate which part of the condition your application relates to:

This application seeks to discharge the element of Condition 9 which relates specifically to the construction of the replacement road from Wendlebury Road to Langford Lane and the bridge over the railway (being Work No 11).

This application provides an updated WSI to that previously approved under Cherwell DC Planning Ref: 14/00239/DISC) for this site. This previously approved WSI included details for the preservation in situ of what is referred to as Site 31d. It has now however become clear this area cannot not be preserved in situ necessitating the issue of an additional site specific WSI for site 31d.
