Dear Ms Griffiths

Chiltern Railways - partial discharge of condition 13 - Surface Water Drainage Assessment (SWDA) for Islip Station works (AP11) of TWA/10/APP/01

We have reviewed the submitted surface water drainage assessment, Reference WHS 1160 v1.02 (Wallingford Hydro Solutions, 05 May 2015) and find these details to be satisfactory.

We have no objection to the discharge of Condition 13 in relation to Islip Station (AP11).

Yours sincerely

Mrs Cathy Harrison
Planning Advisor
