#### notes

- The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the Architect before proceeding with the works.
- Where an item is covered by drawings to different scales the larger scale drawing is to be worked to.

- Do not scale drawing. Figured dimensions to be worked to in all cases.

## CDM Regulations 2007

ALL current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environmental Assessment Record.

### Notes:

## For elevations please refer to drawing AA2699C/4.1/211

All drawings to be read in conjunction with reference key & CfSH notes drawing; AA2699C/4.1/295
