Ref Planning Application No. 16/01594/F

Dear Mr Singh/Mr Parry,

I am writing in response to the above planning application.

Having considered the plans, I object to the development of this site by Cala Management Ltd.

My key concerns are:

- A lack of proper process in consulting with all residents of Fritwell.
- The development proposal does not appear to adhere to the mandate of the Mid-Cherwell Neighbourhood Plan both in terms of the type of proposed housing and the fact this is a greenfield site.
- The lack of amenities and public transport provision in Fritwell do not support a development of this size in addition to the development within the village that has already been approved.

I have attached a detailed group letter that sets out these objections in more detail, which I hope you will fully consider.

Yours sincerely,

Clare Waider
