Dear Ms Griffiths

**Chiltern Railways - partial discharge of condition 13 of 10/00023/TWA
Northfield Overbridge**

Thank you for your consultation, which we received on 4 September 2015.

We have reviewed the submitted drainage strategy EWR P1 – SW Drainage Assessment (AP13) (WHS, August 2015). This demonstrates that surface water run-off has been limited to the minimum practical discharge given the required number of outfalls.

Therefore we have no objection to the discharge of Condition 13 in relation to Assessment point 13 (Northfield Overbridge).

Yours sincerely

**Mrs Cathy Harrison
Planning Advisor**
