Address	<input type="text" value="46 East Close, Banbury, OX16 3LW"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="We live in 'old' Grimsbury, and at certain times of the day there is no point in us attempting to leave grimsbury unless we are prepared to sit in traffic for up to half an hour, sometimes it has been longer. The situation is only getting worse as the rest of banburys roads are getting grid locked, Grimsburys 2 entrance/exits clog up. The worst one being the railway bridge leading over to bridge street, cherwell street junction. adding yet more housing into Grimsbury, especially merton street, which is a nightmare to try and navigate due to horrendous parking, is just unthinkably short sighted. It will only create more pressure on an already stretched community and i dont think grimsbury can cope with any more cars/traffic. My husband is disabled and we live on what was a sheltered housing complex until our wardens were taken away. Ambulance times, and other emergency services are affected by the over stretched road system in banbury and we cant move out to somewhere else, please, dont put more people at risk by overstretching grimsburys roads even more."/>
