| <b>Comments</b>           | <input type="text" value="The traffic in this area is already particularly heavy. Trying to get out on to Middleton Road/Bridge Street in the morning pre-lockdown could already take 10 minutes plus on some occasions, an additional number of houses is only going to make the situation worse. There needs to be a direct link between this part of town and Tramway/Bankside before any additional properties are built down there."/> |
