<b>Comments</b>	<input type="text" value="I think we have enough horrendous traffic problems around that area without adding to them and not coming up with any solutions already. For those in the planning department who do not know, In normal conditions, ie without lockdown and businesses and schools functioning, the tailback along Middleton Road in rush hours, especially since the the station car park opened, is a nightmare. There is no alternative route, perhaps the planning department could spend some time considering the current issues without adding to the misery"/>
