Comments	<input type="text" value="This proposal needs to be thoroughly investigated. The traffic congestion in this area is totally unacceptable. We are trying to reduce pollution not increase it. More houses means more cars, what about the environment? Surely we must have learnt something from the Coronavirus and the effects on all our lives? To increase housing in this locality is mindless. Where is the infrastructure to cope - hospitals, schools, medical facilities, pedestrian access? We need to create a Better Beautiful Banbury not a Blighted Blinkered Banbury."/>
