Comments	<input type="text" value="I strongly object to this new development. Traffic is already a nightmare to this side of town and quite often takes 30 + minutes to go from Grimsbury to the lights the other side of the train station. There needs to be a bridge across the canal or alternative route to get to the other side of town. The other route that goes past the motorway is already really busy too so adding a further development will cripple the area."/>
