<b>Comments</b>	<input type="text" value="It's great to think of more housing, but unfortunately this isn't the area, due to congestion of traffic we already have in Grimsbury.This can only cause more of a bottleneck at peak times, so everyone should reject this who lives in this area. If there is provision for another exit onto swan road then it maybe an option. But I can't see that happening, with all the train station traffic we already have with the new car park, it is just the wrong place."/>
