Subject: Consultation response for 16/00472/OUT-6

Dear Rebekah,

My apologies for the delay in responding.

I have undertaken a search of our records and can confirm that the LLFA have not received any new information that would address our previous objection.

I am therefore, of the opinion, that the objection should stand and the applicant engaged, to provide the information requested in the LLFA objection dated 21st October 2019 and the OCC Transport drainage related objection dated 20th December 2019.

Please do let me know if you have any queries.

Kind regards,

Adam.
