Dear Ms Griffiths

Chiltern Railways - partial discharge of condition 12 of TWA/10/APP/01 as it relates to the Wolvercote to Islip embankment works of the Oxford to Bicester Rail Link

We have reviewed the submitted FRA 'EWR-P1-Level 3 FRA: Wolvercote to Islip Embankment Works' (WHS, October 2014).

The FRA demonstrates how level for level floodplain compensation will be provided to avoid any increase in flood risk as a result of the embankment widening in the floodplain.

Therefore we are able to recommend the discharge of Condition 12.

Yours sincerely

Mrs Cathy Harrison
Planning Advisor
